## New Knight Newspaper Makes Headlines

**Taylor Swanson** (*Evergreen / Beautiful Savior-Hillsboro OR*) and **Ruth Nitz** (*Evergreen / Messiah-Olympia WA*) decided last summer MLC needed a student newspaper. So in September, they enlisted Professor Paul Grubbs as advisor, gained approval from Student Senate, and recruited members.

Since then the club has been busily printing and distributing copies of the monthly *Hilltop Happenings*, which will soon be available online.

"I love seeing the different talents of MLC students come together every month," said Nitz. Currently they're running a short story competition. The winner will be published in their next edition.

The club's goals are to glorify God with the talents he gave them, to represent the voice of students on campus, and to leave a legacy so that the group will continue to give MLC students an opportunity for expression in years to come.

## Students Lead Worship

Every week night, two Knights get the opportunity to lead evening services in the Chapel of the Christ.

Juniors and seniors in the preseminary program, like **Jonathan Neumann** (*LPS / Crown of Life-Pueblo West CO, pictured*), are picked to lead the service and deliver the sermon. They receive a sermon topic and an advisor to help them write it. For some, it's the first sermon they've ever preached.

An organ or piano student, such as **Katherine Schultz** (*FVL / First-Lake Geneva WI, pictured*), is chosen to play preservice music, a hymn or two, and a postlude. Organists will often practice for weeks before leading the student body in worship. "It's a blessing to play organ for chapel services," Katherine says. "Being able to accompany the singing student body is a great experience. I love that I can use my God-given talents to praise him!"
