## MLC Meet Math: Counting 2015 a Successful Year!

The MLC Meet Math team ended the year with a bang as they celebrated their final quiz-writing with pizza and prizes. Throughout the year, the team meets to write problems for Meet Math quizzes that are taken by students in grades 5-12 at Lutheran schools all over the country. LES and LHS students compete individually and in teams to solve the problems.

“The atmosphere of MLC Meet Math is so much fun!” said Meet Math officer **Amber Zibrowski** (*MVL / Mt. Olive-Mankato MN*). “Everyone shows up, we eat some delicious food, and we get to write silly math problems about each other. It's great practice for future teachers!”

## MLC Wind Symphony Takes Show on the Road

MLC Wind Symphony is packing up and heading west for an exciting tour immediately after graduation. They'll perform May 17-24 in South Dakota, Montana, Idaho, Oregon, and Washington.

The 66 band members rehearse four days a week and give at least four concerts during the school year – some sacred and some secular. They represent every major at MLC, from preseminary studies to early childhood education.

Can't make it to a tour concert? Watch them play in the Commencement Concert May 15, 4 / 7:30 pm at [mlc-wels.edu/streams](http://mlc-wels.edu/streams).

Pictured: Harpist **Hannah Spivey** (*Mountain View HS-AZ / St. John-New Ulm MN*) and horn player **Katherine Kobs** (*MLS / Emanuel-Tawas City MI*) show off their skills in concert.
