Summer Projects across Campus

Summer is a prime time for scheduled campus improvement projects. The major projects include a new handicap-accessible entrance to the Luther Student Center (*pictured*), construction of a multi-purpose area in the lower level of the Chapel of the Christ using volunteer labor, softball field regrading and retaining wall construction, and the usual summer landscaping work. We appreciate the great work performed by our custodial, maintenance, and grounds crews for the new school year. We are also thankful for the many volunteers who donated their time for our chapel project.

We are preparing our classrooms, campus, and curricula in eager anticipation of Orientation Weekend. Each year the arrival of first-year students and their families invigorates a campus that has been relatively quiet for several months. During our Orientation Weekend, parents can tour campus; meet with President Zarling; hear presentations about student life, finances, and academics; and meet faculty members at a Friday night reception. Students will also tour campus; meet with President Zarling, MLC vice presidents, academic deans, and their academic advisors; take part in a campus picnic, bonfire, and games in our local state park; and meet other new first-year students at the Big Ballroom Blast. We can't wait to welcome class of 2018! View the full [orientation schedule](#).

New Instructors to Be Installed

Several new called workers will be installed at our opening service Monday, August 25, at 10:15 am in the Chapel of the Christ. You can also join us on our [MLCTV streams channel](#). Instructors who will be installed are James Carlovsky (instructional technology and mathematics - pictured with his family), Matthew

Pearson (physical education and coaching), Benjamin Clemons (urban ministry), Grace Hennig (music), Ryan Kolander (tutor and religion), and Natalie Borgwardt (ECLC preprimary lead teacher). In addition, David Starr, an assigned

graduate of Wisconsin Lutheran Seminary who will be serving as admissions counselor, will be ordained and installed.

Homecoming 2014

Save the date for our Homecoming 2014 weekend: September 26-28. Knights football takes on Greenville College with men's and women's soccer teams also in action on both Friday and Saturday. In addition to athletic events, be sure to take in the popular talent show on Friday night. On

Saturday, lace up your sneakers for the morning Sprinter 1-Mile Campus Fun Run, take in the Family Fun Zone in the afternoon, and enjoy an evening with fellow Knight graduates at the alumni social. On Sunday morning conclude your weekend with our Homecoming worship service in the Chapel of the Christ. [View the complete schedule.](#)
