

MARTIN LUTHER COLLEGE—Education Ministry
Change of majors and minors form

Procedure

- 1) Consider the ramifications of changing majors and/or minors (availability of courses, length of study, cost, etc.).
- 2) Plan your course of study using program plans on the MLC website and the Portal Five Year Plan course projections.
- 3) Check the appropriate lines below to indicate **all programs you plan to pursue** (*not just new ones*). You may be checking multiple lines.
- 4) Obtain the required signatures.
- 5) Submit this form to the office of the Academic Dean- Education (WCC150).

*Note-If you are dropping or adding **Staff Ministry** as a single major, the Application to Change Degree Program form is required instead of the Change of Major & Minor form. The Change of Degree Program form is found with the academic forms under Forms on the portal.

Majors (Single licensed majors can be combined as double majors.)

- | | |
|---|---|
| <input type="checkbox"/> Chemistry (licensed for grades 5-12)* | <input type="checkbox"/> Physical Education (licensed for grades K-12) |
| <input type="checkbox"/> Communication Arts and Literature (licensed for grades 5-12) | <input type="checkbox"/> Physics (licensed for grades 5-12)* |

| <input type="checkbox"/> Parish Music* | |

*Denotes certain requirements to enter major. Check current MLC catalog for those requirements.

Minors (Please consult program plans in MLC catalog to determine the courses needed for each minor.)

Theology (All MLC students are required to complete a minor in theology.)

The following minors require successful completion of the required coursework, take the appropriate test in the chosen area and completion of Student Teaching II in grade 7 and/or 8 within the chosen area. If you desire ONLY the academic minor for these choices, without the endorsement, an additional form is needed. See the Academic Dean to obtain that form.

- Communication Arts and Literature (results in grades 5-8 endorsement on K-6 license)
- Educational Technology (Computer, Keyboarding and Related Technology Applications K-12 endorsement)
- Mathematics (results in grades 5-8 endorsement on K-6 license)
- Science (results in grades 5-8 endorsement on K-6 license)
- Social Studies (results in grades 5-8 endorsement on K-6 license)
- Spanish (results in grades K-8 endorsement on K-6 license)
- No Minor

Due to the nature of Minnesota licensure, the following minors do not result in endorsements. They do broaden a teaching candidate's experiences for service in a WELS school. There is no restriction on grade level for student teaching when obtaining a minor without endorsement.

- Coaching German Physical Education Chinese Music
- Urban Educational Ministry Urban Educational Ministry + Spanish

Student name: _____
