

# SPECIAL EDUCATION MAJORS

## Save Two Years & \$4,000 on Your Master's Degree

If you qualify, you can take up to three dual-level courses at the graduate level to fulfill both your undergraduate and graduate requirements. You can take an additional three dual-level courses that partly fulfill your graduate requirements. To get the full graduate credit, you will enroll at half price and complete a few additional assignments.

When you complete your undergrad degree with ABS licensure, you are well on your way to completing your master's degree with LD licensure. This dual enrollment saves you time and money! See specific details below:

### ACCELERATED PATH TO YOUR MASTER'S DEGREE
