

A minimum of 179 credits are required for this double major. The maximum credit load is 18 per semester. Both written and performance exams are required to enter the program.

Shaded courses must be taken concurrently. Courses in red are offered both semesters and may be switched. Consult the catalog for courses required before student teaching.

Successful completion of the major and licensure requirements provides students eligibility for an assignment to serve as music coordinators in WELS churches or an assignment to teach grades K-8 in WELS schools. Minnesota licensure provides eligibility to teach grades K-6.
