

A minimum of 174 credits are required for this double major. The maximum credit load is 18 per semester.

Shaded courses must be taken concurrently. Courses in red are offered both semesters and may be switched. Consult the catalog for courses required before student teaching.

Successful completion of the major and licensure requirements provides students eligibility for a WELS assignment to teach grades K-8 and social studies in grades 5-12. Minnesota licensure provides eligibility to teach grades K-6 (licensable) and social studies in grades 5-12. **[Currently social studies in grades 5-12 is a non-licensable major for students new to the program.]**
