Dear Members of the MLC Alumni Association,

My name is Carter Huber, and I am now a senior in the preseminary program at Martin Luther College. I am again incredibly appreciative of the MLC Alumni Association Scholarship you have established. It has meant the world to me to receive this scholarship and encouragement for the past four years. Over these past few years, I have encountered struggles in my studies, and your generosity has been a big help in giving me the will to carry on.

I live in Columbus, Wisconsin, and am a proud Lakeside Lutheran High School alum. My younger sister is now going into her second year at Wisconsin Lutheran College in Milwaukee. Our parents do wonders in supporting us as well. I eagerly await next year, with the Lord's blessing, when I will continue on to Wisconsin Lutheran Seminary. I am now about halfway through my schooling, and it feels pretty crazy to be this far along already, but I am grateful to have come this far.

My typical day at school consists of waking up early to attend morning classes. I love being able to attend chapel twice a day. I am so grateful for the opportunity to be able to worship with fellow students as we all prepare to serve the Lord with our lives. I have a very busy schedule this year, but I have still been finding time to hang out with all my buddies on campus.

Now, as I am preparing to finish my time at MLC, Psalm 121:1-2 is still as prevalent as ever for me. It is a verse I can always look to when I am overwhelmed by what is going on around me. It reads, "I lift up my eyes to the mountains—where does my help come from? My help comes from the Lord, the Maker of heaven and earth." I pray that the Lord will continue to bless me and help me in my schooling so that I am able to make it out into the ministry and be able to help his people.

I would again thank you so very much for your prayers and financial support. Without the support I have received, I do not know if I would have continued on in my schooling. Please continue to pray for those who are studying for public ministry.

Thank you so very much, and I pray God continues to bless and uphold you,

Carter Huber
