

# Effective, Christian Communication Handout

## Key Takeaways:

## Brainstorm:

Conflicts can arise suddenly and emotions can take over in the moment. How can you prepare yourself to be more intentional in your communication when the next conflict arises?

Are there any tools you could use in or out of your classroom to help you?

What kind of systems, habits, or reminders can you set up to model effective conflict resolution for your students, and to teach them this important life skill?

## Reflect and Discuss
