

Mission Mindset/Representing Christ

Key Takeaways:

Apply It:

1. Can you think of 2-3 people in your school right now that God is telling you to GO to? (i.e any unbeliever that you know!) Write down their names. (You can review God's example in Acts 8:26-38)
2. What *unexpected* people groups might you as a teacher encounter that still qualify under Jesus' ALL? (You can review Jesus' examples in John 4:1-32 & Matthew 18)
3. Is there anything about your interactions with parents that you could change in order to build a better connection? Write down one or two ideas. (1 Corinthians 9:19-22)
4. Consider your ministry as a whole - what could you do to be intentional about connecting with the unbelievers that you serve?
5. Which part of Acts 16:13-16 do you find most encouraging?
6. Put it all together: write down a one sentence **personal** mission statement for your position at your school.
