Divisions 3 & 4

Welcome from

Dear Brother or Sister in Christ,

Welcome to Martin Luther College!

We are delighted to have you as our guests on campus this weekend for the MLC grade school tournament! We say that with an extra measure of joy since we did not host this annual tournament last year. We are very glad to have this event return to campus!

May God bless your participation this weekend—whether as a player, coach, or spectator—with a very positive experience on the court or in the stands. In the midst of the fun—and yes, often the intensity—of competition, may our Savior help us all remember that those on the “other side” are brothers and sisters in Christ, no matter what color their uniform may be. Remembering that can help us treat each other with love and respect—even if, for a few moments, the scoreboard lists others as your opponents. Showing such love and respect for one another as family in Christ is a far more profound goal than the world’s definition of good sportsmanship!

And we hope you remember something else while you are our guests on campus. In a very real way you are not guests at all. You are part of our broader MLC family! MLC is, after all, your college. As the WELS college of ministry, almost every pastor, teacher, or staff minister who has served your congregation or school, or who will do so in the future, once walked or is now walking on this campus. Your life, and most importantly your faith, have been and will be impacted by what happens on this campus every day, not just during this tournament weekend! Our campus is all about filling our students full of the forgiving love that is theirs in Jesus, so that they might in turn fill the hearts of others.

So, as our extended MLC family, enjoy any opportunity this weekend may give to explore your campus! Our on-campus MLC family (students, staff, and faculty) are glad to answer any questions you have about MLC. Please ask!

the President

If you are a grade school student playing this weekend, it is our special prayer that God might plant in your heart the seed of the possibility of serving someday as a pastor, teacher, or staff minister. If that seed has already been planted, then we pray such a desire might grow even more from this weekend's experience at MLC. It would be a great gift from God if, someday, we could welcome you back to campus—not just for a weekend, but as part of our student body!

And yes, even then you can bring with you your basketball skills. On our campus we value all your God-given gifts and interests, since they can all serve the gospel's cause!

In Him,

Rich Gurgel
President, Martin Luther College

*“One person practicing sportsmanship
is far better than fifty preaching it.”*

**CODE OF ETHICS
FOR
BASKETBALL FANS**

1. Spectators are an important part of the game and should at all times conform to accepted standards of good sportsmanship and behavior.
2. Spectators should at all times respect officials, coaches, and players and extend all courtesies to them.
3. Enthusiastic and wholesome cheering is encouraged.
4. Booming, stamping feet, and disrespectful remarks should be avoided at all times.
5. Bells, whistles, or noisemakers are not permitted to be used in the gym.
6. During free throws, there should be absolute quiet.

Tournament time is an exciting time. The athletes are trying to win a championship, and the students and parents are cheering on their favorite team. Tournament time is also a time to practice sportsmanship. We sincerely hope that good sportsmanship will be exhibited by players and coaches, and equally good sportsmanship by students and parents.

Some things to remember:

Only one team can win, and the players must learn to be good winners and good losers. The referees are trying their best to call a good game. You may not agree with every call they make but they are trying to be fair to each team. When you are cheering, cheer for the good things your team does and not the bad things the other team does.

We hope you have a good time and enjoy the tournament.
