

2019-2020 Special Circumstances: Medical Expenses/Loss of Income

MLC Student's Name

According to federal laws and regulations, a family's 2017 income is used to assess financial need for 2019-2020 school year. If a family's 2018 income is lower, due to special circumstances, we may be able to use 2018 information to evaluate financial need. Please note that additional documentation will be required to verify the loss of income or out of pocket medical expenses.
