The cost of attendance for the 2026-2027 school year is \$33,095. This includes \$28,570 for tuition, food, and housing; \$550 for books; and \$3,975 for variable expenses. USCIS requires evidence of adequate funds to meet total college expenses for your first year of study and that the source of these funds is likely to continue for your entire program. After the MLC Financial Aid Office has reviewed this need analysis form, you will be advised of the amount of aid MLC is able to provide.
