- The deadline for submission is July 15, 2027. Submissions postmarked after this date will be credited to the student's account as a congregational grant but will not qualify for the MLC match. The deadline for students admitted for the second semester is December 15, 2027.
- Funds submitted for the grant must come from the church's annual budget, endowed sources, or donations to a designated fund. If a specific fund has been created, neither the students nor the students' family members can have contributed to this fund with the intent of receiving a tax benefit.
- Funds must accompany this form to be considered formally submitted.
- Congregation funds will be applied to the fall semester, and MLC matching funds will be applied to the spring semester. MLC will return the congregation's contribution for any student who withdraws before completing 60% of the first semester or trimester.
- Students enrolled in APPLE will have MLC matching funds applied to the second and third trimesters. For APPLE students beginning their program in the spring or summer, the submission deadlines are December 15, 2027, for the spring trimester and April 15, 2028, for the summer trimester. If a student does not complete all terms of the APPLE program, the MLC match will not be applied. APPLE students must be enrolled in a minimum of six credits to participate in the CPGP match program.
