

Creating a Book List from the Library Catalog

Why: To create a list of books for future reference or for citing works

How: Add items to your book cart and create a list

Access the library catalog using one of these methods:

- Through the MLC Library website, <https://mlc-wels.edu/library>
 - Search for Books: MLC Online Catalog
 - Enter your search words. Your results will be MLC items.
 - To see items from other libraries, change the *Search other Libraries* dropdown.
- Online at: <http://tdslib.iii.com>
 - Enter your search words. Your results will be from TdS (MLC + area public libraries).
 - To see only MLC items, change the *Search other Libraries* dropdown.

Add items to your book cart by clicking on the basket icon (under *Additional actions*) for those items.

After you've added items to your cart, you can view your cart from *view cart* in the blue box or *My Book Cart* at the top of the screen.

From your book cart, you can:

- Request items from other libraries
- Email a list of the books to yourself
- Save them to a list for later use.

Some of these actions will require you to log in to your library account.

- Remember that the **book cart is temporary**. It will disappear if your session times out or you close the catalog page.
- Use the **Save to list** feature to save the items for later use.
