

MLC Library Catalog Basics

Why: To find books and other library materials

How: Use the MLC/TdS library catalog

Access the library catalog using one of these methods:

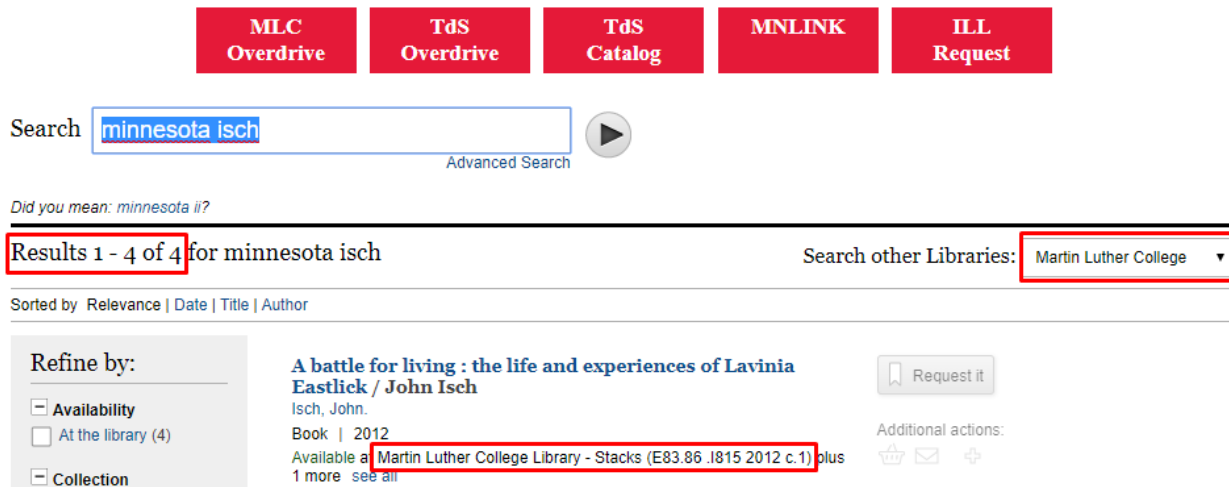

- Through the MLC Library website, <https://mlc-wels.edu/library>
 - Search for Books: MLC Online Catalog
- Online at: <http://tdslib.iii.com>
 - Enter search words such as subject, title, and/or author.
 - Change the *Search other Libraries* dropdown to Martin Luther College to see only MLC items.

Enter your search terms in the search box. You can enter a title, author, subject, and/or keywords. It's very similar to searching in Google or Amazon. Spelling is important; capitalization is not.

Your search results will appear in the middle of the next page.

You can narrow your search using the *Refine by* options on the left side of the page.

- If you don't find what you are looking for, change the *Search other Libraries* dropdown to *All TdS Libraries*. This will search area public libraries in addition to MLC.
- If another library has what you need, you can use the *Request it* button to have the item delivered to MLC for you to pick up, usually in 2-5 days.
