

MARTIN LUTHER COLLEGE

POST-BACCALAUREATE LICENSURE PROGRAM HANDBOOK

MLC's Post-baccalaureate program is open to teachers who are graduates from Dr. Martin Luther College (DMLC) or Martin Luther College (MLC) with a Bachelor of Science in Education degree. The program enables veteran teachers to be eligible for their initial Minnesota teaching license or add-on licensure field(s) to an existing Minnesota license.

This handbook will guide you through MLC's Post-baccalaureate processes.

History of MN Licensure at MLC

D/MLC has been accredited since 1980 as a baccalaureate degree-granting institution by the Higher Learning Commission of the North Central Association of Colleges and Schools. *Prior to 2001, however, Martin Luther College did not seek or obtain state approval of its teacher education program. Its graduates were able (on their own) to obtain state licenses in most of the states that required state licenses of non-public school teachers.* The general education program and the professional education curriculum were comparable to other four-year colleges and universities that prepare teacher for elementary and middle level classrooms. As part of the required professional education curriculum, the students were required to take an 8-10 week term of student teaching, but supervision by a licensed teacher was not part of the curriculum.

Minnesota rules for teacher educator programs and licensure standards are constantly evolving. Since January 1, 2018, the responsibilities carried out by the Minnesota Department of Education Licensing Division and the Board of Teaching were consolidated into the Professional Educator Licensing Standards Board -- *PELSB*. PELSB is responsible for (1) developing the teacher's code of ethics; (2) adopting rules to license public school teachers; (3) adopting rules for and approving teacher preparation programs; (4) issuing or denying license applications (5) suspending, revoking, or denying a license based on qualifying grounds; and (6) verification of district and charter school licensure compliance. You can find more about PELSB at <https://mn.gov/pelsb>.

Minnesota Licensure Through MLC

The Martin Luther College Post-baccalaureate program is an approved program with the state of Minnesota. The program and courses must meet rigorous standards and are evaluated by PELSB every two years.

If you are interested in finding out more about the MLC Post baccalaureate program, please begin with the completion of an [Audit Request Form](#).

Requirements

(Coursework, edTPA, MLC Portfolio, Professional Experience)

The requirements for initial Minnesota licensure generally include coursework, Teacher Performance Assessment (edTPA), portfolio presentation, and professional experience(s). These requirements *are subject to change* and are based on the Minnesota state licensure standards established by PELSB.

The completed Audit form and your transcripts will determine your Post baccalaureate licensure requirements plan (LRP) for initial Minnesota licensure. Your LRP will take into consideration the courses that were taken during the time period that you were at D/MLC and any continuing education you may have taken since graduation, and your professional experiences—either in Lutheran schools or in public schools. Please include these experiences in your Audit.

Courses satisfying the post-baccalaureate requirements are generally available each summer in on-line classes at MLC. **Summer on-line course registration opens each February 15.**

For registration details, please go to [Continuing Education](#) for information on the courses. Summer courses fill up quickly and space is limited. Please plan your summer accordingly.

If you are interested in taking a course at a different institution that satisfies a requirement from your LRP, you are welcome to do so. Please be aware, however, that prior to beginning any coursework, the course must be approved by Dr. Whaley. Without prior approval, the course may not be allowed as a substitution because Minnesota initial licensure requirements satisfy specific standards.

Timeline

The Post-baccalaureate program may be completed in 48 months or less. The schedule to complete the program will be based on each individual teacher's LRP.

GETTING STARTED

1. Complete the [Audit Request Form](#).
 - A. Upon review of your Audit Form, a Licensure Requirements Plan (LRP) will be prepared. The LRP will list the coursework, tests, and professional experience(s) that will be needed in order for you to be eligible for initial Minnesota licensure.
 - B. An application invitation will be sent via e-mail.

2. Complete and submit the [Post-baccalaureate Application](#).
 - A. Send a non-refundable application fee of \$50 paid via cash or check made out to *Martin Luther College*.
 - B. Attach two letters of recommendation to your on-line application, one of which must be a letter from a principal or instructional supervisor attesting to your satisfactory teaching and classroom management skills.

3. Receive a letter of acceptance into the post-baccalaureate program via e-mail and a [Diversity Form](#) for your completion.

You are allowed 48 months from the date of acceptance to complete the post-baccalaureate program as referenced in your LRP.

Professional Experience Guidelines

POST-BACCALAUREATE TEACHER

- Please make sure you have sent your \$500 professional experience fee to the Licensure Office before beginning the experience. Checks should be made out to: Martin Luther College
- Your professional experience is based on the Minnesota [Standards of Effective Practice](#) and must total 12 consecutive weeks (or equivalent) in a classroom/center.
- The experience will be completed in a public and/or Lutheran school/center depending on your licensure requirements. Visit the [Professional Experience](#) page on the website for more information.
- Identify two goals for each required experience. These goals should be sent via email for approval before beginning the experience. Please use the Professional Experience Contract & Goals Form sent to you via email. When writing your goals, think about what you wish to accomplish during your professional experience.

- Keep an electronic reflection journal during the experience with at least 2 entries per week for your experience(s). The journal entries should be more “reflective” in nature and not like a diary entry. The journal will include but is not limited to, writing about how you are accomplishing your goals, what you have learned and applied regarding MOEs 2a, 5a, and 9a in your portfolio, and any other topics you deem valuable. Send the journal entries for review every two weeks to [Dr. Whaley](#) via email attachment.
- Video record two lessons of choice sometime during the experience(s) along with their accompanying lesson plans and send to the Licensure Office via e-mail electronically. You may video record as many lessons as you wish in order to accomplish your portfolio goals.
- Complete your edTPA Portfolio (minus Task 2) during the professional experience.
- Prepare and present your MLC Portfolio before you complete the program. Please see the [Portfolio Guidelines](#) for more detailed information.

LICENSED CLASSROOM SUPERVISOR

- Provide professional supervision of the teacher during this experience.
- Provide guidance, encouragement, and constructive feedback to the post-baccalaureate teacher.
- Observe all individual classes taught by the teacher a minimum of two times during the experience.
- Complete and submit the Professional Experience Assessment Form (send to you via email) to the Licensure Office at the conclusion of the experience(s). An honorarium (\$10/week) will be provided to the classroom supervisor upon receipt of the assessment form. You may wish to view the [Standards of Effective Practice](#) while completing the assessment form.
- **Read the post-baccalaureate teacher’s journal entries** on a weekly basis. Please read, sign, and date the journal entries electronically. You may also add comments if time permits in your schedule.
- **Discuss with the teacher which lessons to video record** and help with the recording process if needed. The video recording will be used instead of a face-to-face visit with Dr. Whaley.

LICENSURE OFFICER

- Dr. Whaley will read your electronic journal.
- Dr. Whaley will watch your 2 recorded lessons and give feedback.
- During the required EDU9506 Licensure Seminar, Dr. Whaley will guide you through the creation of your MLC Portfolio.
