MLC's Strategic Plan

Pursuing Excellence

UNDER THE CROSS

**We embrace our
family's identity.**

We pursue excellence under the cross as we delight without apology in being a confessional Lutheran faith family whose defining mission is to equip and support the current and future generations of faithful pastors, educators, and staff ministers.

**We empower our
family's formation.**

We pursue excellence under the cross as we encourage spiritual and intellectual growth for our entire family; support the physical and emotional health of each family member; and engage gracefully in difficult conversations to move our mission forward.

We expand our family's reach.

We pursue excellence under the cross as we strive to reflect the “every nation, tribe, people, and language” reality of God’s people (Re 7:9) by working to become a more welcoming home for students of all ages and backgrounds who have gifts for ministry.

**We endow our
family's home.**

We pursue excellence under the cross as we make MLC significantly more affordable without sacrificing an excellent college experience on a beautiful and well-equipped campus.

The mission of Martin Luther College
is to train men and women to meet
the public ministry needs of the
Wisconsin Evangelical Lutheran Synod.
