MARTIN LUTHER COLLEGE

Student Editor: Nathanael Jensen
Luther Prep – Watertown, WI

Evangelism Day

Last week, MLC students took a day off of regular classes to focus on how to share God's plan of salvation with others. Presenters from around the country shared their own evangelism experiences and taught students different evangelism approaches. "Evangelism Day showed me how many challenges there can be in spreading the gospel," says **Miranda Maasz** (MVL), "but there are many more opportunities, and we don't have to wait until we're teachers or pastors. We can all evangelize now." **Alydia Lee** (Lincoln HS-Lake City MN) added, "It just gets me so pumped! We have this amazing message that everyone needs to hear, and I'm excited to use what I learned to tell others about Jesus their Savior."

As is tradition, students like Petra Thao (LPS) and Katie Smith (Grove City HS-OH) get all dressed up on Evangelism Day. "Dresses, ties, evangelize!"

Basketball Entertainment

Many things about MLC make it a unique college. One is that MLC doesn't have a typical dance team or cheerleading squad. Instead, we have a group of male cheerleaders unlike anything you've ever seen before. **Lauren Maertz** (Great Plains) says, "They really get the crowd into the game and keep the energy up the entire time with their witty and catchy cheers." Most of all, these men are known for their off-the-wall comical antics during timeouts. "I don't know how they come up with some of their hilarious material," says **Jimmy Christensen** (WISCO). "They make timeouts as exciting and entertaining as the games." Words can't do them justice, so come see them for yourselves as you cheer on the Knights' basketball teams.

Cheerleaders Matt Proeber (Lakeside), Paul Koester (LPS), Seth Meyer (Lakeside), and Joel Hering (LPS) attempt to "bobsled" across the gym floor.

MLC Rated Highly

According to a recent ranking by StateUniversity.com, MLC ranked 10th among all Minnesota universities. This rating was based on many factors, especially schools' ACT/SAT scores, student retention, faculty salary, and student/faculty ratio. "I

think it's great that people outside of the WELS recognize the great school and education we have here at MLC," says **Steve Roekle** (Shoreland), "but I still think that we're number one!"
