Hey, Knights: What's Your Favorite Class?

"Soccer with Coach Lange, because the class days vary. They're either really structured or we play games."

-Jacob Martens
(MVL / St. Paul-New Ulm MN)

"Geology. It's a really small and personal class, so we get to ask as many questions as we need to."

-Hannah Midthun
(WISCO / Grace-Milwaukee WI)

"Foundations in Early Childhood. I'm an early childhood major, and it's just fun learning how kids develop."

-Lydia Thiesfeldt
(WLA / Redeemer-Fond du Lac WI)

"Biblical History and Literature with Professor Sellnow, because I didn't really get much of a biblical history background from high school."

-Seth Tews
(New London HS-WI / St. Peter-Appleton WI)

"Psych of Learning, because Dr. Klindworth is great, and it's a really interesting class."

-Jacob Klug
(Lakeside / St. John's-Juneau WI)

"Children's Literature. I've always loved language, and I enjoy reading the children's books."

-Tassia Channel Clement
(Castris Comprehensive / Trinity-Castris St. Lucia)

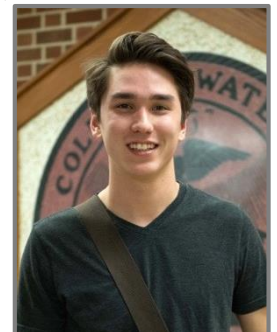

"Biblical History and Literature with Tutor Crass, because we really discuss things as a class instead of just being lectured."

-Rachael Kotek
(Luther High / St. Paul-Bangor WI)

"College Choir because the fellowship among all the choir members is cool."

-Rudy Nelson
(West / King of Grace-Golden Valley MN)

"Linear Algebra. Professor Carlovsky is a great teacher, and all my classmates are awesome."

-Jacob Lash
(Shoreland / First-Racine WI)
