## #Twinning at MLC

Worried about going to the same college as your sibling? See what these MLC students (and their twins!) have to say about studying for ministry at the same school.

Sophomore preseminary twins **Martin** and **Michael Loescher** (*KML / David's Star-Jackson WI*) are involved in many of the same things, like track & field and intramurals. They are also roommates! How do they do it?

**Michael:** "He's my brother and my friend, so we do things together like normal friends would."

**Martin:** "He's one person on this campus who I'll never have to worry about impressing, because he knows me."

**Michael:** "Also, it's amusing when people call me Martin."

The Radue twins, **Gina** and **Janelle** (*WISCO / Mt. Calvary-Waukesha WI*), are juniors in elementary education. They did not start out at the same college, but Janelle transferred here last fall. How do they feel about going to the same school?

**Janelle:** "I love having my sister here! It's super nice to have a family member at school with you while you're away from home."

**Gina:** "If I ever need a pick-me-up, there is just something nice about hearing encouraging words from my sister."

## Coyote Pride at MLC

It may be about 40 degrees colder here year-round, but these Arizona Lutheran Academy alumni don't let Minnesota weather stop them from living the MLC dream!
