Lakeside LHS / Peace-Sun Prairie WI

## Ultimate Frisbee

How do MLC students have fun in the fall, get exercise, and meet new people all at once? Every day after classes, a group of Knights go out to the field for an intense pick-up game of ultimate frisbee. Beginning and experienced players alike agree that the frisbee games are a blast. "Playing ultimate frisbee is a great time to go out and meet people from other classes," said junior **Emily Wessel** (MVL / St. John-New Ulm MN). "It's also a chance for physical activity!" Before the snow flies, MLC students also play intramural sand volleyball, hike in Flandrau State Park, or walk downtown for coffee or a movie. Pictured: **James Lange** (ALA / Redeemer-Tucson AZ) leaps for the winning catch. James is a regular ultimate frisbee player.

## The Music Man Comes to MLC on November 7

Almost 90 dedicated MLC students spent the past few months putting together the well-known musical *The Music Man* by Meredith Willson. The student-directed show features **Michael Koester** (Michigan LHS / Peace-Granger IN) and **Leah Boeder** (MVL / St. John-New Ulm MN) as the lead characters, Harold and Marion (pictured bottom right). Everyone's favorite barbershop quartet (pictured bottom left) is played by **Jared Natsis** (MLS / Trinity-Saline MI), **Carl Boeder** (MVL / St. John-New Ulm MN), **Luke Dorn** (Luther / St. John-Lewiston MN), and **David Spaude** (Antigo HS-WI / Ascension-Antigo WI). Students who do not appear on stage have been hard at work behind the scenes in the pit orchestra, stage crew, light and sound box, costume design, and hair and makeup committee. "I'm amazed at the talent here at MLC," says student music director **Josh Mose** (WLA / St. Matthew-Iron Ridge WI). "The Lord really has blessed this school with some amazing gifts. I'm excited for the finished product coming this weekend!" The show premieres on Friday, November 7, and runs through Sunday, November 9. Tickets are still available at the MLC box office (507.233.9114). See the full cast and the production staff here.
