MLC Celebrates International Education Week

International MLC students shared their culture with the campus by cooking their favorite ethnic foods this week in the MLC cafeteria. Students tasted everything from Korean Bul Go Gi to Chinese MaPo Tofu while learning about the rich cultures of international students' countries.

"Coming here from Antigua has been an enjoyable experience," said **Joycelyn Christmas John** (pictured). "MLC created the opportunity for me to meet people who come from different cultures and to form great relationships. I'm excited to go out to teach little lambs about God's Word. MLC has helped me to develop this passion."

MLC has 15 internationals enrolled from Antigua, Canada, Colombia, St. Lucia, and South Korea, as well as a professor from China. To non-American students considering MLC, **ChiSeon Kim** (MLS / East Seoul Canaan-Korea) says: "Just give MLC a try. You will like it so much, and here you can become a public minister to fulfill the Lord's mission."

From Antigua: **Ron Pile** (LPS / St. John-Antigua) and **Joycelyn Christmas John** (Isaiah Thomas Secondary School / St. John-Antigua)

From Canada: **Annalies Brander** (Picture Butte HS-Alberta / St. Paul-Calgary, Alberta) and **Daniel Schmidt** (New Norway HS-Alberta / St. John-Wetaskiwin, Alberta)
