MLCAA Board Annual Meeting

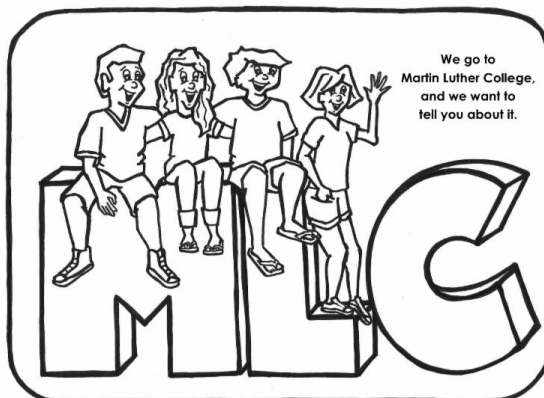

The 16-member [MLC Alumni Association](#) board will hold its annual on-campus meeting on Friday, September 26. The board will plan events, funding efforts, and communications for the coming year.

Homecoming Is Coming

An early September 26-28 date means Homecoming Weekend is just around the corner. You'll want to take in Friday's Talent Show, then start your Saturday with the annual 1-mile [Sprinter Campus Fun Run](#). Register by Wednesday, September 24, to be eligible for one of many great community door prizes. Sign in at the alumni reception table to receive coupons and great giveaways, then enjoy games and free treats with the kids at the Family Fun Zone. Cheer on the Knight soccer and football teams, then catch up with friends at the Alumni Social. Conclude your weekend with Sunday morning worship in the Chapel of the Christ. Resources to Introduce MLC to Children

MLC students often point to alumni (teachers, staff ministers, pastors, and parents) as the ones who first encouraged them to consider attending MLC and preparing for public ministry. In order to better equip you to plant those seeds in young minds, MLC is developing an online resource kit. Intended for children in K-8, it will include devotions, coloring books, activity sheets, etc. Though designed for

classroom use, pastors, parents in the home, and others can use them in various

Aaron's Arms

The Lord provided many blessings to each of us during our college years. Consider showing your thanks by partnering with the MLC Alumni Association to "hold up the hands" of today's students and support the ministry of MLC. This year, a \$2500 check will be presented for financial aid and an additional \$3000+ will be given for non-budgeted campus projects. Hoops in Watertown

MLC invites alumni, parents, and friends to join us for a special Saturday on November 22 as both our men's and women's teams compete at Maranatha in Watertown WI. A pre-game lunch will be hosted at Luther Prep from 11 to 12:30. The women's game tips off at 1, and the men follow at 3. A special package price of \$15 covers the lunch, game ticket, and an MLC basketball T-shirt. [Click here](#) to learn more and to register

online. A limited number of spots are available.

Please Share Your Shots

Last issue, we asked for pictures of dormitory life. Special thanks to those who contributed, and congratulations to Bob Kuehn, who won for best picture, and to Earline Sickinger, who won the random drawing from all other submissions. This time, we are looking for photos that you took showing students competing in NWC or D/MLC athletics (interscholastic or intramural). We will gladly accept digital or print copies as long as you are willing to let them remain in our collection and be shared publicly. An MLC prize pack will be sent to what is deemed the best photo received. Another prize pack winner will be drawn from all other entries submitted by the November 28 deadline. Pull out your scrapbooks, dig through your digitals, and [click here](#) to share your shots.

Thank You, Volunteers!

MLC is grateful for the 25 alumni and Builders for Christ volunteers who collectively gave over 1100 hours of their time and talent to complete phase one of the [Chapel of the Christ basement](#). The effort saved the college over \$27,500 in labor costs and provided much needed gathering space for

Classes ending in 5 or 0, now is the time to start planning your **reunions** for 2015. Contact the **alumni office** for information and assistance.
