Welcome, 2014 Graduates!

Last month, we welcomed 143 new graduates to the MLC alumni ranks. [Click here](#) for or a full recap of commencement weekend including video archives, photo galleries, service and concert programs, and assignment lists.

Homecoming Is Coming

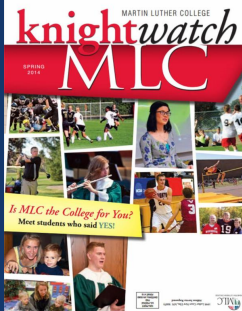

An early September 26-28 date means it's time to start making your plans to attend the annual Homecoming Weekend festivities here on the hill. In addition to soccer and football games, you'll want to take in Friday's Talent Show, join in Saturday morning's [Sprinter Campus Fun Run](#), register at the alumni reception table for discounts and great giveaways, catch up with friends at Saturday night's Alumni Social, and conclude your weekend with Sunday morning worship in the Chapel of the Christ. Volunteers Needed

MLC and WELS Kingdom Workers/Builders for Christ are partnering to finish a portion of the Chapel of the Christ basement. Thanks to our faithful volunteers, the first of six weeks is underway with great progress being

Did you know that...

- * Pre-seminary enrollment at MLC is at its lowest since 1959?
- * Over 30 requests for MLC teacher candidates were unable to be filled?
- * The MLC Strategic Plan calls for a full-time undergraduate enrollment of 800? The estimated enrollment this fall is 740.

* Among other publications, MLC produces a recruitment magazine called Knightwatch, designed specifically for high school students?

Please pray for more to gladly say "Here am I." Encourage gifted young people in your life to consider MLC. Contact our Admissions office with names of prospective students who are not receiving Knightwatch.

Please Share Your Shots

The MLC alumni volunteer archives team works hard to collect and classify photos pertaining to campus life past and present. We are looking for photos that you took, fun or formal, showing students in an NWC or D/MLC dorm setting. We will gladly accept digital or print copies as long as you are willing to let them remain in our collection and be shared publicly. An MLC prize pack will be sent to what is deemed the best photo received. Another prize pack winner will be drawn from all other entries submitted by the August 31 deadline. Pull out your scrapbooks, dig through your digitals, and [click here](#) to learn how to share your shots.

If You're Happy and You Know It, Tell Facebook

The [MLC Facebook page](#) serves as an excellent (and inexpensive) tool to help share the MLC story - how the Lord is blessing the church through your alma mater. With over 5000 followers, the page reaches a large audience of prospective students as well. If you are a Facebook user, please consider posting a review/testimonial of what MLC means to you. I am eternally grateful for the friendships that were fostered, for the education I received, and for the way my faith was fed and strengthened while at MLC. I also thank our gracious God for the teachers trained at MLC who have served my children by faithfully sharing Christ with them! May God continue to bless the priceless work done at MLC!
