Lutheran High School Tip-off Tourney @ MLC

Students from eight WELS high schools joined the MLC campus family for a weekend of basketball and fun, some to play in the tournament and others just to watch. All students got to experience a taste of life on the hill, including staying in the dorms with MLC students. When they weren't playing basketball, students went swimming, bowling, and shopping at the Mall of America. They also danced and did karaoke, watched MLC basketball games, toured campus, and attended services in the Chapel of the Christ.

A message for all from our admissions director:

MLC would like to thank the schools, coaches, administrators, parents, and alumni for making the MLC Tip-off Tournament a success! Without your hard work and effort, this event would not be possible.

We thank our God for the opportunity to share MLC with all who attended—especially the high school students. This has been a great opportunity for them to consider ministry and to enjoy MLC. We praise our Lord for this tremendous blessing, and we encourage all high school students to keep thinking and praying about the possibility of becoming a part of the MLC student body someday!
