Celebrating the Spirit's Work Around the World

During the World Mission Festival Service, MLC rejoiced once again in God's abundant blessings on WELS missions. Students **Reuben Nitz** (*Malawi*), **Tethliach Chuol** (*South Sudan*), and **Josiah Kroll** (*Cameroon*) gave the readings in Chichewa, Nuer, and English; and Pastor Dan Kroll preached the sermon from Cameroon via Skype.

The service began with a Cameroonian processional led by Pastor Kroll's sons (*pictured*)—**Josiah, Elijah** (*both Lincoln HS-MN*), and **Jonah** (*Michigan LHS*). Elijah said, "I was excited that people could see the pieces of African culture that were brought to this service!"

The World Mission Festival Service was a great reminder that we are part of a church that extends beyond MLC and across the world—to Cameroon as well as many other nations.

Harvest Hoedown a Success

The Harvest Hoedown had it all—music, snacks, games, dancing, and a costume contest. Students always look forward to this monumental fundraiser organized by Anchor, MLC's service club.

"Over \$1000 was raised for WELS Prison Ministry, and about 230 people showed up, which is the most ever," says Anchor member **Grace Schultz** (*FVL / First-Lake Geneva WI*). "The Harvest Hoedown also just gives so many students the opportunity to get off campus and enjoy Christian fellowship!"

Pumpkin Party!

Holly Wildeman (*Home School / Our Savior-Gaylord MI*), **Brittany Boyd** (*MLS / Christ-Oakley MI*), and **Annalisa Schuette** (*Manitowoc LHS / St. John-Newtonburg WI*), *pictured*, joined the other women of Centennial Hall in a basement Pumpkin Party last week.

Dorm events like this are just one way the dorm supervisors (aka "mini-mamas") **Anna Ungemach** (*Manitowoc LHS / First German-Manitowoc WI*) and **Sarah Frost** (*FVL / Mount Olive-Appleton WI*) make sure everyone is having fun and doing well in their transition to college.

"We got to know each other a little more," Anna says, "and decorated pumpkin-shaped cookies." Sarah adds, "The Pumpkin Party was a great way for everyone to take a little break from homework and just have fun!"
