Opportunity to Give Back

God provided many of us with generous financial assistance during our years on the hill. He did it through individuals (often unknown) who wanted to thank him and help a future gospel servant. Please consider whether you can now be used by God in a similar way. The MLC Alumni Association supports today's students with financial aid and takes on non-budgeted campus projects to enhance and beautify the campus. [Click here](#) to make a gift today.
