## Knight Life: Kicking Off the School Year

MLC students started their semester off right with a kickball tournament organized by Knight Life. This group unofficially began in 2016. “My first year on campus, a few of my friends and I set up a Capture the Flag game,” says **Connor Ragner** (FVL / Messiah-Shiocton WI). “Everyone loved it, so we put together more games during the next few semesters because we thought it was a fun way to get to know people.”

Now it’s a club with a purpose. “We want to provide fun events for people to come to and build relationships that can last into their future ministries,” says **Zac Bork** (Apostles LHS / Apostles-San Jose).

Besides kickball, Knight Life has treated the student body to board games, an Easter egg hunt, and more! “We’re looking forward to new events this year—all with faith, fellowship, and friendship in mind,” says **Aaron Butkovich**. Up next: Capture the Flag!

## Play, Laugh, Win at Badminton

Two dozen teams of two faced off in a round-robin tournament to determine the best badminton players at MLC—and have loads of fun! Badminton players, newbies to returning champions, all piled into the gym. Even Professor and Mrs. Scharf joined in!

“The best part was seeing so many people doing something we all love—badminton!” says **Ruth Buchholz** (ALA / Emmanuel-Tempe AZ), president of the Student Athletic Advisory Committee (SAAC), which ran this tournament. SAAC regularly organizes intramurals, concession stand helpers, and events like this one. Up next: Dodgeball!

## There’s Always Ultimate at 4:00!

Rain or shine, up to 50 students play Ultimate frisbee at 4! What makes it so awesome?

“It’s just a bunch of Christian friends hanging out,” says group organizer **Jeremiah Callies**. “We want everyone to come out and play! No experience necessary!”

“It’s awesome to see everyone playing alongside teammates outside of their regular circle of friends,” says **Heidi Kostrzewa** (WISCO / St. John-Wauwatosa WI). “I’ve loved meeting other MLC students that I wouldn’t have gotten to know otherwise.”

**Justus Kupsky** says, “It’s better than Fortnite.”

“It’s competitive but fun!” says **Joslyn Hallauer** (Deer Park HS-WA / St. Matthew-Spokane WA). “I get to take a break from homework and get my exercise in for the day.”

**Parker Brown** (LPS / Abiding Word-Houston) says, “There would be a disk-sized hole in my heart if it wasn’t for Ultimate.”
