## How to Never Waste a Weekend

### Watch a Minnesota United Game

Last weekend MLC soccer players and soccer lovers took a trip to the Twin Cities to watch the Minnesota United compete—thanks to the Events Team, who organized it flawlessly. “I had so much fun enjoying quality soccer with my friends and teammates,” says **Courtney Ritter** (Michigan LHS / St. Paul-Stevensville MI).

### Cheer On the Knights

A hillside full of MLC fans had a blast cheering on the Knights football team as they defeated St. Scholastica 49-21. With record-setting play that ended a seven-game losing streak to CSS, the Knights proved that any valuable hours spent watching them were well spent. We can’t wait for the next game!

### Walk to Church

St. John’s and St. Paul’s are both just a stroll away on Sunday mornings or Saturday evenings. Driving works too, but on beautiful fall days, walking is the way to go! ### Go to a Wind Symphony Concert

Listening to the MLC Wind Symphony is a wonderful way to spend a Sunday afternoon. Even better? Playing along! “Wind Symphony has given me so much,” says **Christian Willick** (LPS / St. John-Wauwatosa WI, pictured). “Lasting friendships, amazing conductors and role models, and the chance to make music to God with fellow believers who have become my family.” Also pictured: **Marcus Sims** (LPS / Immanuel-Manitowoc WI).

### “Treasure” Hunt on the Highway

Student Senate led volunteers to Highway 14 one Saturday to pick up trash. Might sound like a yucky way to spend a morning, but the group had tons of fun and ended the adventure with a pizza party. “Adopt a Highway was a great way we could show our love for God’s creation!” says **Rachel Hoffmann**. “We found some crazy things—like this broken Barbie doll!” Pictured: **Brittany Jensen** (LPS / St. Mark-Watertown WI) and **Rachel Hoffman** (West / Immanuel-Buffalo MN)

### Pick Some Grapes

“A restaurant downtown needed people to harvest grapes, so we signed up,” says **Karissa Nolte**. “It was fun and relaxing, and we got paid!” Next week, they may be eating some grape-apple-spinach salad so they can enjoy the “fruit of their labors.” Pictured: **Aaron Schultz** (LPS / First-Lake Geneva WI), **Karissa Nolte** (MVL / Our Savior-Birmingham AL), and **Kayla Bessler** (Evergreen LHS / Bethany-Port Orchard WA).
