MLC Forum Presents *Jack and the Beanstalk*

Jack and his mother have a heartfelt exchange, the beanstalk towering over them.

Forum productions are one of the most popular reasons for family, friends, and community members to visit our campus. These guests are eager to see cast and crew rally together to glorify God with the greatest performance possible! But Children's Theatre has always been a bit different from Forum's other events. Historically, we take the show to *you* with a tour. There's a fresh take on the tradition this year, but one thing's for sure—MLC Forum's *Jack and the Beanstalk* will not disappoint.

"The show is similar to the classic story," Director **Emma Dorn** said, "but with some twists that bring forth themes of friendship, poverty, self-confidence, and growth. The cast is super talented and made up of some of the kindest and most encouraging people I know!"

So what's different? This show won't be going on the road, and we can't invite you into our auditorium. However, you can bring our cast into your living room or your school by reserving a livestream ticket!

Emma continued, "We wish we could hear your happy giggles, gasps, and cheers, but please join the numerous schools and families throughout the country who have already signed up to see our show! The performances are Friday at 8:00 pm and Saturday at 3:00 and 7:00 pm. You can go to mlc-wels.edu/forum to get access to the livestream!"

All is ready, and after many hours of hard work, the cast will take the stage Friday night to kick off a great weekend of performances. *Soli Deo Gloria!*
