MARTIN LUTHER COLLEGE

## Cross Country Runs Well at St. Olaf

The cross country teams returned to action at St. Olaf on Saturday, September 18, and ran well in a field packed with other schools from across the UMAC.

The women took ninth place out of 15 teams at the event, but finished second among the five conference schools in attendance. **Maya Habben (LPS)** led the way for the Knights with a time of 25:43.1 to finish fifth among the UMAC runners.

**Ryan Maertz (GPLHS)** led the men with a time of 27:24.2 in the 8K race. MLC finished 11th overall at the meet, and third among the six UMAC schools. Maertz's time was good for third-best among conference runners.

Habben leads the pack

## Soccer Ready for Start of UMAC Play

Santos in pursuit

The soccer teams are set to begin conference play this weekend with trips to Northland and UW-Superior.

The MLC men started the season 0-3 against a difficult schedule, but were picked to finish fourth in the UMAC prior to the season. The Knights return their two leading scorers from last season in **Isaias Santos (LPS)** and **Lucas Martin (LPS)**, with Santos already scoring one goal this season.

The women are also looking for their first win following a tough non-conference slate. The Knights were picked to finish fifth in the preseason poll thanks to the return of leading scorer **Hannah Schroeder (LPS)**, who finished her debut season with eight goals and 19 total points in 10 games last spring.

## Lindemann Leads Knights at UW-Eau Claire

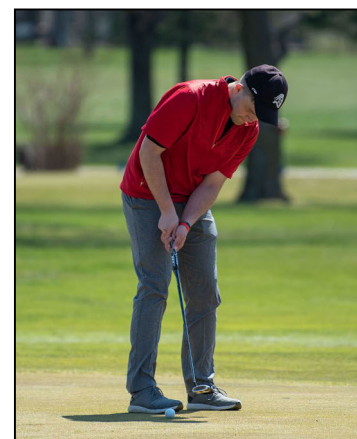

Senior **Kyle Lindemann (LPS)** led the men's golf team in a two-day tournament hosted by UW-Eau Claire on September 19 and 20.

### Upcoming Events at MLC

- 9/24 G @Minnesota Morris  
SO @Northland  
VB v. Northland
- 9/25 G @Minnesota Morris  
VB v. UW-Superior  
FB v. Alma  
SO @UW-Superior

Lindemann overcame a tough opening day to card an 83 on day two and finish 34th out of 61 golfers at the event.

Lindemann currently leads the Knights with an average score of 83.0 this season, which includes a season-low round of 78 he shot at the UMAC Preview tournament on September 6.
