MLC Forum Presents . . . *MLC: The Real World*

As the first semester of the 2021-2022 school year wraps up here at MLC, the professors have had enough. Students have developed an annoying obsession with paper planes, naps are constantly taken during class, and things have become generally unhinged. . . . Actually, that's not true at all, but it *is* the plot of one of Forum's one-act plays. This year's shows, directed by **Jacob Schwark** (*LPS / First-Elkhorn WI*) and **Noah Uhlenbrauck** (*FVL / St. Peter-Appleton WI*), feature a dynamic and hilarious cast that will have the audience grinning with delight!

MLC Forum rookie **Caleb Lindholm** has been gushing about his experience. He said, "Forum is a ridiculously cool way to use your talents to praise God. There are so many ways to do that at MLC, but I've loved this one." **Aric Reim** added, "It's fun to see all the little unique things each cast member brings to the table on and off the stage."

Nicole Schumann had some advice for those considering Forum. "Just do it!" she said. "You don't even need any previous experience. Everyone here is so encouraging and will embrace you from the very beginning."

Abby Schmitz, a transfer student to MLC, said, "You won't find a better atmosphere. Forum has given me a place to belong and a great group of friends to laugh and work hard with. If you're even considering MLC, come join the team!"
