Circle Talk

In our story, Kelsey really liked Mr. Johnson as a teacher. Get in a small circle and discuss what you've liked about the teachers and pastors God has given to you.

1. What have you really liked about your teachers? Name four things.

2. What have you really liked about your pastor(s)? Name four things.

Now imagine that *you* became a pastor or teacher someday. What would you enjoy about that work? (It's okay if everyone has different answers! And we know that only boys grow up to become pastors, but it's okay for the girls to imagine what they might like too.)
