A Focus on Voices Like Yours

We always keep the magnifying glass of ministry moving. This week we zoom in on high school students like you! As you continue to deliberate your decision to come to MLC, it may be helpful to hear from your potential classmates.

A Focus on Ministry trip allows you to appreciate life at MLC (instead of just reading about it in a newsletter). Like these students from Luther Prep (*left*) and Lakeside (*below*), you can explore campus, attend college courses, and mingle with current MLC students—future called workers. Just as MLC students are the future of the ministry, I hope you'll become the future of MLC! Remember that in the end, God will guide you where your talents are best suited. Now, what do some of our recent Focus visitors have to say?

Evelyn Harden (*MLS / Bethany-Saginaw MI*)

“One of my favorite things on campus is that you can take so many different music lessons for free. The Music Center is such a unique part of MLC.”

Bryce Jacinto-Fierro (*Shoreland LHS / First-Racine WI*)

“I loved learning about campus life and touring the campus. I'm looking forward to attending MLC, and I'm already working part-time at a local grade school, so teaching is likely in my future.”

Hannah Mayeda (*MLS / St. Paul-Livonia MI*)

“The student ambassadors made sure we had a lot of fun getting to know what MLC is like. Focus trips provide a good opportunity to consider all our options.”

Aliya Sulzle (*FVL / Emanuel-New London WI*)

“The atmosphere was definitely my favorite part about my time at MLC. It's always nice to see everyone encourage each other to continue in ministry.”

David Scherschel (*MLS / Holy Trinity-Wyoming MI*)

“I was surprised at the size of the campus and impressed at how close the students were in spite of it.”

Andrew Heusterberg (*Shoreland LHS / First-Racine WI*)

“I learned a lot about MLC during my Focus trip. My favorite part was the chapel, because it's awesome to hear so many people praise one God.”

Hannah Uhlenbrauck (*FVL / St. Peter-Appleton WI*)

“The student ambassadors gave us a window into what students at MLC are like. Their example makes me excited about MLC.”

Julia Wenzel (*MLS / Trinity-Bay City MI*)

“MLC has some pretty bussin French toast sticks.”
