MARTIN LUTHER COLLEGE

Student Senate: A Great Way to Serve

If you'd like to make a direct impact on student life at MLC, the Student Senate is the place to do it. By organizing some of the biggest events on campus—Homecoming, Winter Carnival, Bingo Night, Swine Sizzler, and more—the Senate both represents and serves the student body.

President **Juan David Escobar** (*DSA / Divine Savior-Doral FL*) loves leading the charge. He gathers the senators—people he calls “determined, organized, and purposeful” and “some of the most talented people I know”—and together they set out to make a difference on campus.

Secretary **Jenna Boggs** (*LPS / St. Luke-Watertown WI*) enjoys the communication and cooperation that service on the Senate requires. “We constantly work together to determine how to serve the student body best,” she says. “When something doesn’t go how we expect it to, it is truly amazing to see everyone’s strengths and abilities shine while we work together to make it work.”

Juan, who’s studying to be a pastor, understands how all those skills have direct application in his future ministry: “Hearing multiple opinions, managing the time and concerns of others, and treating people with love and respect are skills that will prepare me for when I’m working at a council meeting and in my own congregation.”

Both Juan and Jenna encourage future MLC students like you to give some thought to serving on the Senate. “Whether you’re passionate about improving student life or simply want to have a say in the decisions that directly affect your campus,” Juan says, “joining the Student Senate is the perfect way to make your voice heard! God has blessed you with a unique set of skills, and we would love for you to take action in serving your student body with them.”
