3-5 ACTIVITY 2

Two Truths and a Lie *About Going to MLC or the Seminary*

Do you wonder what it might be like to attend college at Martin Luther College or Wisconsin Lutheran Seminary? Remember, MLC is for future teachers, pastors, and staff ministers. The Seminary is another school that future pastors attend after MLC. Read each group of statements about MLC or WLS below. Decide which two are true, and which one is a lie!

1. At Martin Luther College . . .

- A. you have unlimited access to the cafeteria Monday-Friday from 7 am to midnight.
- B. there is ice cream available at all meals.
- C. you can make cotton candy on weekends.

2. At the Seminary . . .

- A. students have come straight from high school.
- B. students have a kitchen where they cook their own meals on the weekends.
- C. the main building was built to look like the Wartburg Castle, a place in Germany where Martin Luther secretly translated the Bible into German.

3. At Martin Luther College . . .

- A. you can perform in musicals, plays, and children's theater productions for hundreds and hundreds of people.
- B. there is one big choir to sing in. You have concerts, sing in chapel, and tour in the United States.
- C. you can play instruments in the band, which gives concerts, plays at chapel, and plays music for the musicals.

4. At the Seminary . . .

- A. you can play intramural sports like volleyball and basketball.
- B. there is a racquetball court that only the professors can use.
- C. some professors and students play morning basketball.

5. At Martin Luther College . . .

- A. you can choose to study in a different country for a semester or two.
- B. some days you might only have two or three classes, and other days you might have more.
- C. You cannot take online classes.

6. At the Seminary . . .

- A. you cannot be married.
- B. students go to school for only half of the day.
- C. your third year of school is at a church, where you learn how to be a pastor in a real-life setting.

7. At Martin Luther College . . .

- A. you can take coaching classes to learn how to coach sports teams.
- B. you can participate in activities like basketball, football, ultimate frisbee, cross country, volleyball, track, soccer, baseball, and softball.
- C. you can play more than one sport at the same time.
