

## Meet Your New Admissions Counselors

### Professor MacKenzie Holzbauer

*Winnebago Lutheran Academy (2019)*

**She's not from a called worker family:** My parents are not called workers, and I don't think I would have ended up at MLC had it not been for my teachers. They had a huge impact on me. They encouraged me to use my gifts to serve, and I'm so thankful that they saw those gifts in me.

**Her advice:** Prayerfully consider the gifts you have. God has a plan for each person on earth, and he knew what it would be before we were even born. Find comfort in the fact that God knows what tomorrow and every day after that holds instead of worrying about tomorrow.

**Fun fact to ask her about:** My family drag races in Kaukauna, Wisconsin. The car is an '85 Monte Carlo, and my dad took his driver's test in that car! Now it does 10-second quarter miles.

### Professor Janet Justice

*Michigan Lutheran Seminary (2015)*

**Wait – Did she say “eighth”?** I was the eighth child in my family to attend MLC. My parents, siblings, teachers in grade school, and teachers at Michigan Lutheran Seminary were all wonderful examples and encouragers to me. I wanted to be like each one of them, sharing God's love. Christian education is a privilege, and it's such a blessing to be in God's Word and surrounded by God's Word every day.

**Her advice:** You can serve our Savior in so many unique ways—already now as high school students and in your future. If you're considering MLC, try it out! You won't regret being further encouraged in your faith, and you're allowed to change your mind if God leads you elsewhere. “Whatever you do, work at it with all your heart, as working for the Lord” (Colossians 3:23).

**Actually, there are nine:** I'm the youngest of nine children, eight of whom went to MLC.

### Your Other Counselors

**Professor Hannah Scharf, Professor Martín Santos, and Professor Joel Thomford** are on the road and here on campus, enjoying their talks with you about your gifts and your future.
