## Homecoming 2025!

**Go, Knights!** A great weekend for Knight soccer, football, and volleyball—plus pickleball, dodgeball, PowderBuff volleyball, and alumni games!

**Worship:** Best part of the weekend, hands down. Choirs, instruments, and hundreds of voices making a joyful noise to our Lord!

**Disc Golf:** Yup, we've got our own course—and it's a hit!

**Sprinter Fun Run:** Fifteen years strong—with hundreds racing across campus (and plenty more logging miles from home)! And of course, one runner paints himself like the Sprinter statue—*that's* tradition done right!

**Bob Ross Night:** Happy little trees—an MLC classic.

**Talent Show:** Full house, lights up, and lots of laughs! Our Knights shine bright as they share their God-given gifts on stage.
