

A Welcome Letter for All Students - Summer 2019

On behalf of Pioneer and myself, **welcome!** It's great to be here and I'm looking forward to our new year together. As your food service director, I want you to know that my door is open at all times for your comments and suggestions. Below, I have provided a listing of services, some policies that Pioneer and I could use your help with, along with the current meal hours.

Some of our services . . .

- A food committee is formed through student services. We look forward to any feedback that will help us to serve you better.
- Sick trays are available with a note of approval from a residence director, residence assistant, or nurse.
- Takeout meals are available for work or school related conflicts, 24-hour notice is requested. Be sure and sign up for any specific requests, so meals are tailored more to your liking.
- Special diets can be accommodated; however, we do ask that you provide an outline of your dietary needs.
- Pioneer is very proud of our nutritional awareness program. We designed it to help you make sound choices concerning your diet and health. A booklet is available for you that explains the program, but should you desire more information, come talk to me. We hope you will take advantage of this information.

Some policies we need your help with . . .

- All students will bring proper I.D. to enter the dining hall. Anyone without an I.D. will be required to pay.
- Our program is based on unlimited seconds (thirds, *etc.*). We all try to be good stewards, so please do not waste food or take more than you can eat.
- No food, drink, or dishware of any kind is to be taken from the dining hall.
- Non meal plan students and visitors must pay at the door to enter the dining hall; rates are posted at the door.

Your meal hours . . .

A Welcome Letter for Parents of Resident Students - Summer 2019

Dear Parents:

This letter is to serve as an introduction to the campus food service and the management team at Martin Luther College. The dining hall is operated by Pioneer College Caterers, Inc. Pioneer specializes in contract meals at faith-based college campuses throughout the United States. Its main purpose is to provide students with the highest possible quality food, at a reasonable price.

Pioneer and I will work to ensure that your student(s) is provided with a well-balanced, varied menu. I have enclosed a brief outline that describes our food service program. On weekdays, the dining hall will remain open throughout the day, allowing students to come and go as many times as they wish; this will help create an atmosphere of community as students meet to study, grab an ice cream cone, or eat a meal with friends. If you wish to make a visit to campus, please dine with us at a special family rate:

Breakfast	\$5.50
Lunch	\$6.50
Dinner	\$7.00
Specials	\$7.50

In an effort to heighten student understanding, Pioneer also provides a nutritional awareness program. With this program, we have the right tools in place to answer many dietary questions and help students make educated choices.

In addition to our food service program, if your son or daughter is going to be spending a special holiday or birthday away from home, we have a “perk-up” treat that may be just what is needed. I have enclosed information regarding this as well. Please feel free to go online <http://mlc-wels.pconline.net>, use the order blank, or contact me personally.

Jobs are available year-round with dining and banquet services. I would be glad to work around your son’s or daughter’s school schedule, should they be interested in working on campus.

I’m sure there may be times when you have a question or concern. Please feel free to contact me at any time. I would be happy to help in any way that I can. I look forward to serving you and your student.
