Welcome to Martin Luther College!

On behalf of everyone in the athletic department, we would like to welcome you to campus, and we hope you take the opportunity to make use of the athletic facilities in one way or another. If you have participated in high school athletics, we hope you would also consider participating in one of our intercollegiate athletic teams. We offer 18 NCAA Division III teams, and we are a member of the Upper Midwest Athletic Conference (UMAC).

In the fall, we offer the following sports: volleyball, soccer, cross country, and golf for the women. For the men we have football, soccer, cross country, and golf. In the winter we have men's and women's basketball and men's & women's indoor track. Our spring sports are softball, baseball, tennis, golf, and outdoor track. Intramurals are also offered throughout the school year.

Please complete the **Athletic Interest Inventory Form**, which is included on the New Student Checklist on the MLC Portal. This will ensure you receive future communication from your coach and the athletic department with the necessary requirements. Please check your MLC email regularly for important deadline reminders. (Some of them are listed below.) You can also check the MLC athletics website at [mlcknights.com](http://mlcknights.com).

For those of you participating in intercollegiate athletics (not intramurals), you will need to complete and submit all electronic athletic forms **by July 15**. There are a number of NCAA requirements that require early action: getting a pre-participation physical (after June 1), getting a mandatory sickle cell solubility test, and registering with the NCAA as a student-athlete (to get your NCAA ID#). You can access the required athletic forms (and track the status) by logging on the MLC Portal.

We would like your experiences at Martin Luther College to be very rich and rewarding. The athletic department will do its best to make this become a reality. Feel free to contact the athletic department any time. We look forward to meeting you in the very near future!

Sincerely,

The Martin Luther College Athletic Department
