Martin Luther College is **your WELS College of Ministry.**

We train men and women to meet WELS ministry needs.

Pastors & Missionaries

Almost all WELS pastors attended MLC or its predecessor school, Northwestern College, for their preseminary training. It's here they began to study the Bible in the original Hebrew and Greek. It's here they learned confessional Lutheran doctrine. It's here the Holy Spirit strengthened their faith and their love for souls.

Where will your next pastor
come from?

Martin Luther College.

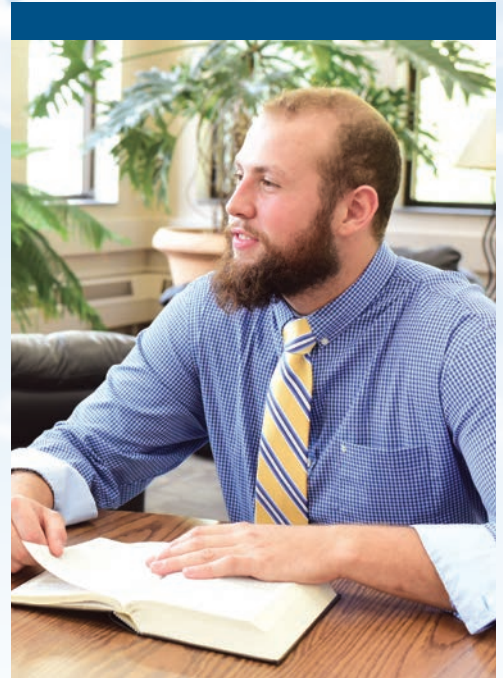

Teachers PK-12

The majority of teachers at your WELS preschool, elementary school, and high school were trained at MLC. It's here they mastered their subject matter as well as pedagogical principles and methods. It's here they learned how to spiritually nurture children and families by teaching everything in the light of God's Word and lovingly sharing law and gospel.

Where will your next teacher
come from?

Martin Luther College.

Staff Ministers

Many congregations call ministers of music, worship, administration, or youth and family. These called servants were also trained at MLC. It's here they studied theology and developed the special ministry gifts God has given them—evangelism, family ministry, visitation, administration, Christian education, and parish music and worship.

Where will your next staff
minister come from?

Martin Luther College.

And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others.

2 Timothy 2:2

**Martin Luther College depends on the gifts of God's people to help fulfill our mission:
"To train a corps of Christian witnesses
who are qualified to meet the ministry needs of WELS."**

**Gifts to the MLC Fund are foundational in meeting our financial needs.
Our goal is to fund 10-15% of our annual budget through MLC Fund gifts.**
