

FINANCIAL WELLNESS AT MARTIN LUTHER COLLEGE

At Martin Luther College, we want to make sure that all students are not only **prepared for ministry** but also prepared to manage their personal finances and become **wise stewards** of their resources. We have developed a Financial Wellness Program [**MLC DIRECTION**] to help students grow in their knowledge and understanding of important financial topics.

- **ALL Students will have required activities to be completed each year (CashCourse.org)**
 - Students have 2 modules that take about 15-30 minutes each to complete
 - Modules must be completed by the end of SPRING BREAK (3/10/24)
 - Instructions can be found on our website:
<https://mlc-wels.edu/financial-aid/wp-content/uploads/sites/7/2022/06/CashCourse.pdf>
- Additional learning opportunities are provided throughout the year in various ways
- Drawings for prizes and scholarship opportunities throughout the year!

I look forward to meeting you on campus and helping you prepare for your financial futures. Please check out the website (www.mlc-wels.edu/financial-aid/mlcdirection) or contact me directly with any questions that you may have: **krohnjk@mlc-wels.edu** -or- **507.233.9153**
